Samplist is an amazing success story. Developer Alex Buga built his first music app in just 3 weeks with free tools (Swift, AudioKit, Xcode) and it shot to the Top 5 paid music apps in the USA. In this interview, he talks about his motivation, design, and development tools. Making a music app from scratch can be daunting.

NBC host Megyn Kelly's interview with noted conspiracy theorist Alex Jones, scheduled to air on Sunday, never really seemed like a good idea. Sandy Hook parents have called for NBC to pull the interview, due to the controversial right-wing radio host's previous statements promoting conspiracy theories about the school shooting.

If you liked these questions and answers check out my upcoming book The iOS Interview Guide. It covers similar UI questions, networking questions, fundamental questions, and many other that are commonly asked on technical iOS interviews.

*Interview ALEX (THE CAGE)*

The next day it might or might not work. I have LTE cellular service and a fully charged iPhone 7 running IOS 11.4.1. I'm now leaving the second store today without completing my shopping because I depend on this list function. I guess I have to revert back to the olden ways of paper & pencil. I'm very dissatisfied, but hey it's free you say.
