The Kings Curse is part of the War of the  
Roses Saga and I have to say that it  
does not live up to her previous  
offerings. The other books I read avidly  
barely managing to put them down but  
with this one I am really struggling to  
keep myself interested. The War of the  
Roses is a fascinating time of history and  
there are rich pickings to be had with  
this era as Ms Gregory no doubt knows  
but I feel that it has now run its course.
