Book Two of Ms. Due's African Immortals saga is just as good as the first book in the series but very different. Where Ms. Due made us, like Jessica, fall for David despite his arrogant villainies in the first book, here we are given more clues about the price to be paid by both Dawit and Jessica for their beliefs and their living blood.

The Living Blood PDF | The Living PDF

Its main ingredient is blood -- the blood of immortals. A small but powerful colony of immortals is distributing the blood, slowly wiping out the AIDS epidemic and other diseases around the world. Meet Fana Wolde, seventeen years old, the only immortal born with the Living Blood.

The Living Blood (African Immortals Series Book 2 ...

The Living Blood is a novel by writer Tananarive Due. It is the second book in Due's African Immortals Series. It is preceded by My Soul to Keep, which was published in 1997, and is followed by Blood Colony, which was published in 2008. This article about a 2000s science fiction novel is a stub.

The Living Blood African Immortals

The Living Blood is the second in Due's Immortal Africans series, and given the way My Soul to Keep ended, I expected the book to pick up right where the first ended. I wasn't quite prepared for it to start slightly before the ending and carry us through the events of that ending in more detail.
