Nicolas Roeg's The Man Who Fell to Earth features a fine performance from David Bowie and a gorgeous production design, but the story is ultimately a choppy, unfocused, and meandering mess that results in a cold and distant film.

Vladimir Komarov - Wikipedia

Dear Man I Fell In Love With,
When I met you, you drove me crazy. I was at point in my life where I resigned myself that I wasn't going to fall in love. I told myself, I didn't need anyone and was fine on my own. I was an independent woman. This still hold true but now I'm an independent woman who has an anchor and pillar to hold her when she ...

04: The Man Who Fell Out of Bed - Neurobiology Readings

I still fall in. It's a habit. My eyes are open. I know where I am. It is my fault. I get out immediately. walk down the same street. There is a deep hole in the sidewalk. I walk around it. I walk down another street.” — Portia Nelson, There's a Hole in My Sidewalk: The Romance of Self-Discovery

The Man Who Fell In Love With The Moon: Tom Spanbauer ...

Set against the harsh reality of an unforgiving landscape and culture, The Man Who Fell in Love with the Moon provides a vision of the Old West unlike anything seen before. The narrator, Shed, is one of the most memorable characters in contemporary fiction: a half-Indian bisexual boy who lives and works at the Indian Head Hotel in the tiny town of Excellent, Idaho.
