After the end of World War II, the Allies liberated thousands of prisoners from Nazi camps across the territories previously occupied by the Third Reich. The Allies wanted to return the Jews whom they had liberated in the Nazi concentration and death camps to their countries of origins. Most of the liberated Jews from western European countries and from Czechoslovakia in fact went back to their ...

The Survivors Life After War 1 Angela White

The Survivors For the survivors, returning to life as it had been before the Holocaust was impossible. Jewish communities no longer existed in much of Europe. When people tried to return to their homes from camps or hiding places, they found that, in many cases, their homes had been looted or taken over by others.

The Survivors Life After War

Set in post apocalyptic America, after a nuclear war has devastated the United States. The Survivors is one of 3 books, the series being pretty good so far. Throughout the concepts of life and death, good and evil This is an impressive first novel for indie writer Angela White.
