Chapter 11 The Theory of Communicative Action 280 “Hearers can contest [an] utterance in three respects: depending on whether it is expanded to a statement of fact, an expression of feeling, or a command.

The Theory of Communicative Action - Wikipedia

Habermas’s The Theory of Communicative Action (1981) was devoted in part to developing an account of truth in terms that did not imply that there exists an “absolute” truth of the kind traditionally posited by metaphysics. Following the doctrines of pragmatism and reinterpreting Austin’s earlier work...

The Theory of Communicative Action - definition - English

In sociology, communicative action is cooperative action undertaken by individuals based upon mutual deliberation and argumentation. The term was developed by German philosopher-sociologist Jürgen Habermas in his work The Theory of Communicative Action

Jürgen Habermas (Stanford Encyclopedia of Philosophy)

Taken together, these theories signal that the theory of communicative action, rather than amounting to a transcendence of earlier approaches to reification, is simply a parallel, but one which ...

11 The Theory of Communicative Action and Theory of System ...

Communicative action is the underlying theory in which communicative power and communicative reason/rationality refine themselves. Communicative power is the influence that citizens exert upon a state through rational discussions of their interests and values. Habermas discusses this in relation to law, particularly, how laws are enacted ...

The Theory of Communicative Action, Volume 1: Reason and ...

Jurgen Habermas built the theory of communicative action because he was looking for a way to ground social science within a theory of language. Published in a two-volume book, it would eventually become the foundation of future theories involving law, democracy, and morality. Communicative action serves to transmit cultural knowledge, renew it, and that processes ...
