Twenty Poems That Could Save America

Twenty Poems That Could Save America presents insightful essays on the craft of poetry and a bold conversation about the role of poetry in contemporary culture. Essays on the "vertigo" effects of new poetry give way to appraisals of Robert Bly, Sharon Olds, and Dean Young.

Twenty Poems That Could Save America download ...

The final essay that gives the book its title--"Twenty Poems that Could Save America"--bemoans the fact that, to a large extent, secondary teachers don't teach poetry very well, mostly because they, themselves, are uncomfortable with poetry. Like Robert Pinsky in "The Singing School," Hoagland offers 20 poems, with rationales (largely thematic) ...
