What's new in LoadRunner 12.60?

Whats new in Loadrunner 11.50? LoadRunner 11.50 was released on June 5th, during HP Discover 2012 in Las Vegas. This release was originally going to be called LoadRunner 12.00, but this would have put it out of step with the version numbers for ALM/Quality Center and QTP, which might have created some marketing confusion.

What's new in Micro Focus LoadRunner 2020 Service Pack 2

In June, Micro Focus had released LoadRunner Professional 2020 Service Pack 2. You can check it out in my last article about SP 2 features. In the last week of September, we are getting LoadRunner Professional 2020 SP 3 update. This blog post is dedicated to see the high level overview about the new features.

Whats New In Loadrunner 11

First up, there is no LoadRunner version 10. The LoadRunner version number had slipped behind the other HP testing tools; so HP have realigned the numbering with the latest releases of Quality Center (now ALM) and QuickTest Professional. LoadRunner 11.00 is major update, with a large number of new features, and undercover tweaks.

What's New in LoadRunner/Performance Center 12.55

HP recently released LoadRunner 12.02 and here at JDS, we have had first hand look at what HP has to offer in this new release. Many new and interesting features were introduced as part of this release, with a new feature called Web Controller available for non-production testing included.

What's new in LoadRunner 11.00? | JDS Australia

LoadRunner 11.50 was released on June 5th, during HP Discover 2012 in Las Vegas. This release was originally going to be called LoadRunner 12.00, but this would have put it out of step with the version numbers for ALM/Quality Center and QTP, which might have created some marketing confusion.

What's new in LoadRunner 11.52? - Northway Solutions

HP has officially announced the release of Loadrunner 11.5, and with it come a bevy of changes. The most immediately noticeable of these is a major retooling of the look and feel of VuGen. Over the coming days, we'll be breaking down and reviewing some of these changes in a couple of blog postings.
