Whip Smart: The True Story of a Secret Life: Melissa Febos ...

This memoir is a fascinating peek into the world that Melissa Febos used to be a part of, one where money was no object and the insults flicker off the tongue like no one's business. I think what makes Whip Smart: A Memoir worth a read is that it takes a multidimensional approach.

Whip Smart: A Memoir | IndieBound.org

"All memoirs are an attempt to follow a trail of breadcrumbs home, yet WHIP SMART steps off the path, into the wooded shadows, and names that part of ourselves that could linger there forever. Melissa Febos masterfully brings us into these unexpected, unsettling places, the least of which are the dungeons she so vividly briefly occupies.
