## Workshop Manual

### Volvo Penta D30

I've looked at all the sites listed above and can't find a workshop manual for the Volvo Penta 2D-40 .... I've also searched using Google and haven't found anything of serious use other than the "exploded" diagrams. Does anyone know where you can get a decent workshop manual for the 2D-40? Free if possible, if not I'll pay for one.
